INFORMATION TECHNOLOGY DEPARTMENT
9th Level, B-Wing, Delhi Secretariat, IP Estate, New Delhi-110002
<http://it.delhi.gov.in>

F.NoE-11/2/2015-DS(CCU)-Part(1)/3228-3238 Dated 17/6/19

Subject - Minutes of the meeting of Technical Evaluation Committee (TEC) held on 22.05.2019 at 04:00 PM, under the Chairmanship of Secretary (IT), in his chamber at 9th Level, 'B' Wing, Delhi Secretariat, Delhi, to examine the IT proposals of various Departments of Govt. of NCT of Delhi.

- I.** List of Members/participants present in the meeting is annexed as **Annexure-I.**
- II.** The proposals in brief and decisions taken/advice of the Technical Evaluation Committee are detailed below: -

1. Ambedkar University, Delhi

F.No.-AUD/17-66/2018/ICT_Procurement

The proposal of Ambedkar University (AUD), Delhi regarding procurement of following IT related items was placed before the TEC for technical clearance :

S. No.	Item	Proposed Qty
1.	L3 Core Network Switches	02
2.	L2 Network switches 24 port	13
3.	27U Closed Rack	03
4.	Patch Panel with cable manager	13
5.	Patch Chords (1m-266, 2m 266)	532
6.	24 port LIU	03
7.	Wi-fi access point	15
8.	Server	02
9.	MS Window Data centre acad. Edition per core	02
10.	Server Virtualization software	02
11.	SAN Storage 15 TB usable	01
12.	Desktop Computer for Computer Lab	33
13.	Desktop Computer for Administrative Staff	28
14.	Desktop Computer for faculty /Dean	05
15.	Laptop for Faculty	43
16.	Mini CPU	02

17.	Colour Multifunction Printer	01
18.	Multifunction Printer	20
19.	Colour Multifunction Printer (For project)	01
20.	Software for Online language proficiency for School of Vocation Studies (SVS)	93
21.	Firewall/ Unified Threat Management (UTM)	02
22.	Server for open source firewall	02
23.	Network Monitoring System	01

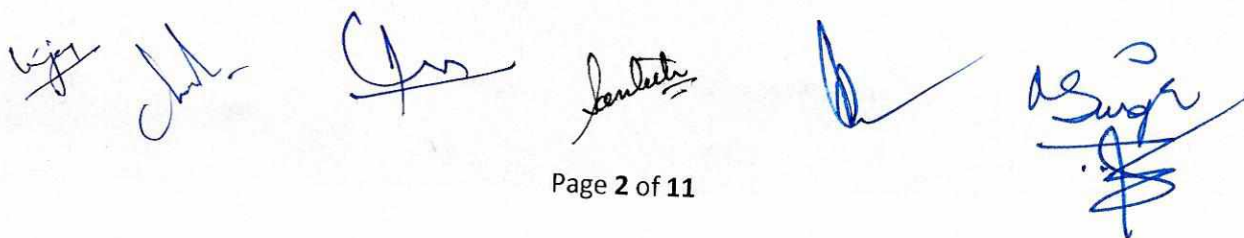

The proposal has been received with the recommendations of Secretary(HE).

The representative of the University apprised the following:

1. The requirement of above-mentioned IT related items have been proposed by the University for the new building floors at Lodhi Road Campus which has been taken over by University from Sr. Secondary School, Lodhi Road. Three floors of the building shall be operational in the next academic session i.e. from August-2019. The approximate strength will be - faculty-43;staff-31; and student strength -600 for the academic year 2018-20, for which above- mentioned IT infrastructure is proposed.
2. The IT advisory committee of the Ambedkar University has assessed the requirements and accordingly quantity of the above-mentioned equipments has been recommended in its meeting held on 26/09/2018. The recommendations of the IT advisory committee have been approved by the Vice Chancellor, AUD.
3. Lodhi Road Campus of the University is also being connected to Kashmere Gate and Karampura Campus using 100 Mbps MPLS line connectivity.

Regarding the procurment of computers and printers as proposed at SI.No.12 to 19, the University is not required to seek technical clearance of TEC as per Order No. 1/2019 dated 30.01.2019 of IT Department. As per the order dt 30.02.2019,they may procure the IT related systems as per the standard specifications available on the website <http://www.it.delhi.gov.in> under the link "Standard Technical Specifications".

TEC discussed the proposal and advised that the proposal of University may be examined by the NIC, Delhi State Unit first in respect of proposed network hardware/firewall etc. Therefore, TEC deferred the proposal.

2. Prison Department

F.9(133)/2017/HG (CD No.001467312)

The proposal of Prison Department regarding the procurement of 105 VC Systems in Prison Department was placed before the TEC as recommended by the Addl. Chief Secretary (Home).

TEC was apprised that IT Department had earlier examined the proposal and advised the Department to examine the feasibility of software based VC System offered by NIC and re-assess the requirement.

Prison Department has resubmitted the proposal after reassessment of software based VC system provided by NIC and has proposed to install 105 VC studio based Systems.

Representative of the Prison Department apprised the following: -

- Hon'ble High Court has provided ten studio based VC Systems to District Jails which consists of One All-in-one Computer with display, UPS, Camera, Micro Phone cum Speakers with configuration.
- Test results of NIC Software are satisfactory for Video-Conferencing of inmates for Court production within Delhi or outside Delhi even in the absence of NIC connectivity.
- The requirement of 105 Studio based VC for 16 Jails located in Central District [Tihar (Jail No. 1-9) 02, Rohini(Jail No. 10) and Mandoli (Jail No. 11 to 16)] is as per details given below:-

S.No	Jail No.	Total VCs	Total inmates	VCs per day session	Proposed VCs
1.	1	2	2032	18-20	10
2.	2	3	769	2-3	5
3.	3	3	2058	25-30	10
4.	4	3	2706	25-30	10
5.	5	1	972	15-18	6
6.	6	1	410	5-8	5
7.	7	2	573	5-7	5
8.	8/9	2	1685	20-25	10
9.	10	2	1674	15-20	10
10.	11	2	580	5-7	5
11.	12	2	899	5-7	5
12.	13	1	1043	10-12	6
13.	14	1	456	2-3	5
14.	15	2	138	3-5	5
15.	16	1	213	2-4	5

16.	PHQ Tihar	2	--	--	2
17.	HQ Mandoli	1	--	----	1
Total	27		16208		105

- d. Only 16 numbers of VC equipments are functioning in all the Jails.
- e. Prison Department has reduced the requirement from 115 to 105 after deducting the 10 studio based VC system provided by Hon'ble High Court.

TEC discussed and technically approved the proposal of procurement of 105 VC Systems as per the specifications provided by Hon'ble Delhi High Court.

3. Aryabhata Institute of Technology

F.3(5)/ABIT/PUR/IT/EQPT/2017-18, CD No-000463700

The proposal of Aryabhata Institute of Technology regarding the procurement of TUKA-CAD proprietary software-01 license for the use in Garment Fabrication Technology (GFT) lab was placed before the TEC for technical clearance. The proposal has been received with the recommendations of Secretary(DTTE).

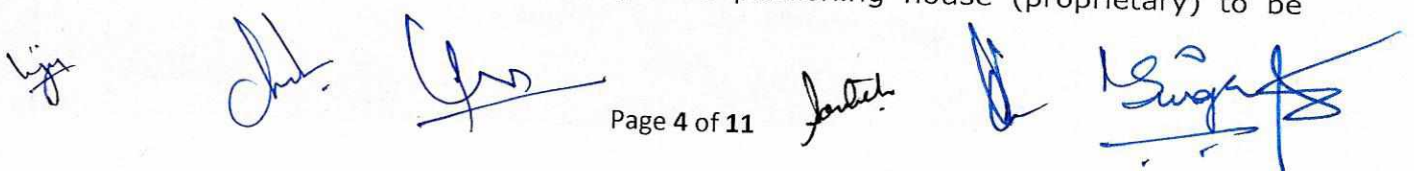

Representative of the Institute apprised the following: -

1. The technical committee of the Institute has recommended the proposed software for the subject of CAD-I and CAD-II of 4th and 5th Semester under the syllabus of diploma in Garment Fabrication Technology as per the industry needs.
2. The Institute and diploma course are approved by AICTE and the proposed software is a part of syllabus.
3. Garment Fabrication Technology (GFT) diploma syllabus is approved by Board of Technical Education, Delhi
4. TUKA-CAD software is a part of GFT syllabus.
5. Earlier the institute had procured the same software in the year 2007 with the approval of IT Department which has become obsolete

TEC discussed the proposal of the Institute considering the above points and technically approved the procurement of TUKA-CAD software with 01 license for the use in Garment Fabrication Technology (GFT) lab subject to procurement of academic version only, if available.

4. Office of the District & Sessions Judge Tis Hazari Courts

The Proposal of District & Sessions Judge, Tis Hazari is regarding the purchase or subscription of e-Book/digital library of a publishing house (proprietary) to be

accessed through online mode and to advise whether this is considered as an IT item or not was discussed in the TEC meeting.

Representative of the Institute apprised the following:-

1. The Centralized Library Committee of Tis Hazari Courts has decided to purchase the online subscription/licenses of the Law Journal (e-Book) on 20-11-2018. The proprietary Law Journal is used for ready references for Judges relating to decisions/judgments on "Accident & Compensation Law Cases".
2. The propriety e-Book/digital library is in digital book format and accessible through the Internet. The users can access Law Journals online based on an individual licence issued by the company.
3. The number of individual licenses will be determined by the Committee as "on need" basis.

In this regard, letters of IT Department dated 23.09.2014 (**Annexure-II**) and 29/09/2019 (**Annexure-III**) were placed before the TEC.

TEC discussed the matter in reference to the above mentioned letters and decided that Tis Hazari Court may follow advice mentioned in the letters dated 23.09.2014 (Annexure II) for Online Access and letter dated 29.01.2019 (Annexure III) for offline access of e-Books, e-Journals respectively. The same may referred in future also in all the similar contexts.

5. Department of Information Technology

F.No.-E-12/4/2018-Admin-Secy(IT)

Proposal of Department of Information Technology regarding the technical clearance for Standard Technical Specifications of IT related hardware to be used by the all Departments of GNCTD was placed before the TEC.

TEC was apprised of the following:

1. Department of Information Technology, GNCTD had issued an order no. 1/2019 dated 30.01.2019 regarding requirement of technical approvals for procurement of computer hardware, software and computer accessories and had provided Standard Technical Specifications.
2. AMD India Pvt. Ltd has requested to incorporate AMD in the Standard Technical Specifications approved by DIT, GNCTD. AMD India Pvt. Ltd has further informed that Departments like Dte. of Education and DTTE are not addressing their concern since AMD is not mentioned in the circular by name.

3. Earlier this proposal was discussed in TEC meeting held on 09.4.2019 and it was decided that the proposed specifications may be evaluated by the NIC team.
4. The technical specifications of the IT equipments are more of general nature. Departments are facing problems while purchasing the hardware on GEM Portal. The Government e-Market (GeM) platform allows users to specify the technical specifications and then filter the matching equipments. Keeping in mind the problems faced by the Departments, specifications have been prepared as per GeM compatible format.
5. Accordingly, the following technical specifications in consultation with NIC are prepared and proposed for publishing on IT Department website as Standard Specifications:

S.No	Category	Existing Specifications	Proposed Specification	
1	Desktop	Desktop as mentioned or equivalent: Intel core-i5/i7 or similar GB RAM or higher, 500 GB SATA HDD 7200 RPM or higher, 18.5-20" TFT, OEM Keyboard & Mouse, Operating System (Windows/Linux) Integrated sound and graphics.	Processor Make:	Intel/AMD
			Processor Description:	Intel Core i5/AMD Ryzen 5
			Processor Generation	Minimum 8 th / 9 th Generation/ AMD-R 5
			Graphics Type :	Integrated / Discrete
			Onsite OEM Warranty :	5 years
			Monitor Size :	19.5 inches or higher

			DIMM Slots	Minimum 12
			Hard Disks	2 x 600 GB HDD
			OEM Warranty	5 years,
9	Router/L3-Switch and Switch			The specifications and numbers may be obtained from NIC, Delhi State Unit.

TEC examined the technical specifications and technically approved the same.

6. Transport Department

F.No.-F1(369)/TPT/CB/2017 ,Cd No:0754569

Proposal of the Transport Department regarding the procurement of 10 Mbps leased line with NIC connectivity, to be installed at 11 new upcoming Automated Driving Test Centres located in various places of Delhi was discussed in the TEC meeting.

The proposal has been received with the recommendations of Pr. Secretary(Transport).

Representative of the Department apprised following:-

1. 11 new Automated Driving Centres are coming up in various identified places of Delhi. These centres will access SARATHI software and other web-based software services and share the applicant driving test data with SARATHI software in real-time basis through a web service. Transport Department has decided to obtain 10 Mbps leased line for proposed centres to access SARATHI software and other activities mentioned above.
2. For effective transmission of HD video recording of test applicants at the central location, a minimum 10Mbps bandwidth leased line is required at each location.
3. LAN is being built at all locations by the agency as per tender awarded by the Transport Department.
4. Transport Department is moving a separate proposal for purchase of 11 number of Switches and 11 number of routers for each of these locations

[Signature]

[Signature]

[Signature]

[Signature]

[Signature]

[Signature]

meanwhile, M/s Railtel has agreed to provide the routers and switches for the proposed leased lines.

5. Network architecture is being done at all locations by the agency as per tender awarded by the Transport Department.
6. Ports are available at NIC Delhi Secretariat end for the proposed leased lines.
7. No internet service is included on proposed circuit

TEC discussed and technically approved the proposal of Transport Department for procurement of 10 Mbps leased line with NIC connectivity

III. The approvals by this Committee (TEC) are subject to the condition that respective Departments shall complete all codal formalities as per Rules and Regulations including financial instructions / guidelines for calling of tenders and approval of the competent authority (as per GFRs etc) in this regard.

IV. The above approvals are also subject to the condition that the above said Departments shall have to take approval of the Finance Department, wherever necessary.

The meeting ended with vote of thanks to the Chair.

To

Sh. Narottam Kushal,
Additional District & Session Judge, Delhi,
Chairperson Centralized Library Committee,
O/o. District & Session Judge (HQ): Delhi.
Tis Hazari Courts, Delhi-110054.

Sub: Regarding upgradation of 439 Law DVDs Software "AIR Supreme Court, High Court and Courts Criminal Law Journal" for Judicial Officers of District Courts, Delhi and Library of District Court, Delhi.

Ref: Your letter No. 23679-I/Library/Law Software/2014 dated 12th August 2014

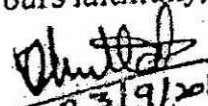

Sir,

With reference to the above, the following is clarified:-

- e-Books, e-Journals accessed via online where no customized application software is being installed in the user systems are non-IT items
- AIR DVDs containing Supreme Court, High Court and Criminal Law Journals contain a software on the DVD and installation of the customized application software on the user system from these DVDs are essential to access the contents of the DVD. Hence these are covered as IT items. However considering the fact that the book format is converted into the DVDs, AIR CDs/DVDs may be considered as part of Books.

This issues with the approval of Pr. Secretary (IT).

Yours faithfully,

23/9/2014

✓ The Additional District & Sessions Judge, Delhi
Chairperson Centralized Library Committee,
Tis Hazari Courts, Delhi.

Sub.:- Regarding CDs/DVDs containing data base of Law Software would be considered as IT item or not.

Sir/Madam,

This is with reference to Letter No. 15350-I/Library/ Law Software/2018, dated 23-05-2018 and reminder letter No 1507-I/Law Software/ACC/Library/THC/2019 dated 18/01/2019 wherein information is sought as to whether CDs/DVDs containing database of Law Software would be considered as IT item or not.

2. The CD/ USB Key or Token, containing any proprietary software application along-with digital database of decisions/judgments (Accident & Compensation Cases (offline)) which requires to be installed on user system, may be considered as IT item. In case, there is any upgrade or version change in this proprietary software application in future resulting into cost implications, the same will be considered as an IT item.
3. However, subsequent updates or addition of decisions/judgments (pdf/text subscription) in the law software application shall not be considered as IT item.
4. This issues with the approval of the Competent Authority.

Yours sincerely,

(Santulan Chaubey)
Joint Director (IT)
